

PLAYGROUNDS

SPORT EQUIPMENT

URBAN FURNITURE

As a result of the long accumulation of our market experience and innovative approach, we have the pleasure to present the new edition of Inter-Play catalogue consisting of the following product lines:

LIMAKO - stainless steel playgrounds with a unique and sophisticated design

ROTO - very strong devices, typical for public areas with heavy traffic

PARK - light, modular and cost-effective line of playgrounds

INTEGRADO - products designed especially for disabled users

SALTO - trampolines, perfect addition for each playground area

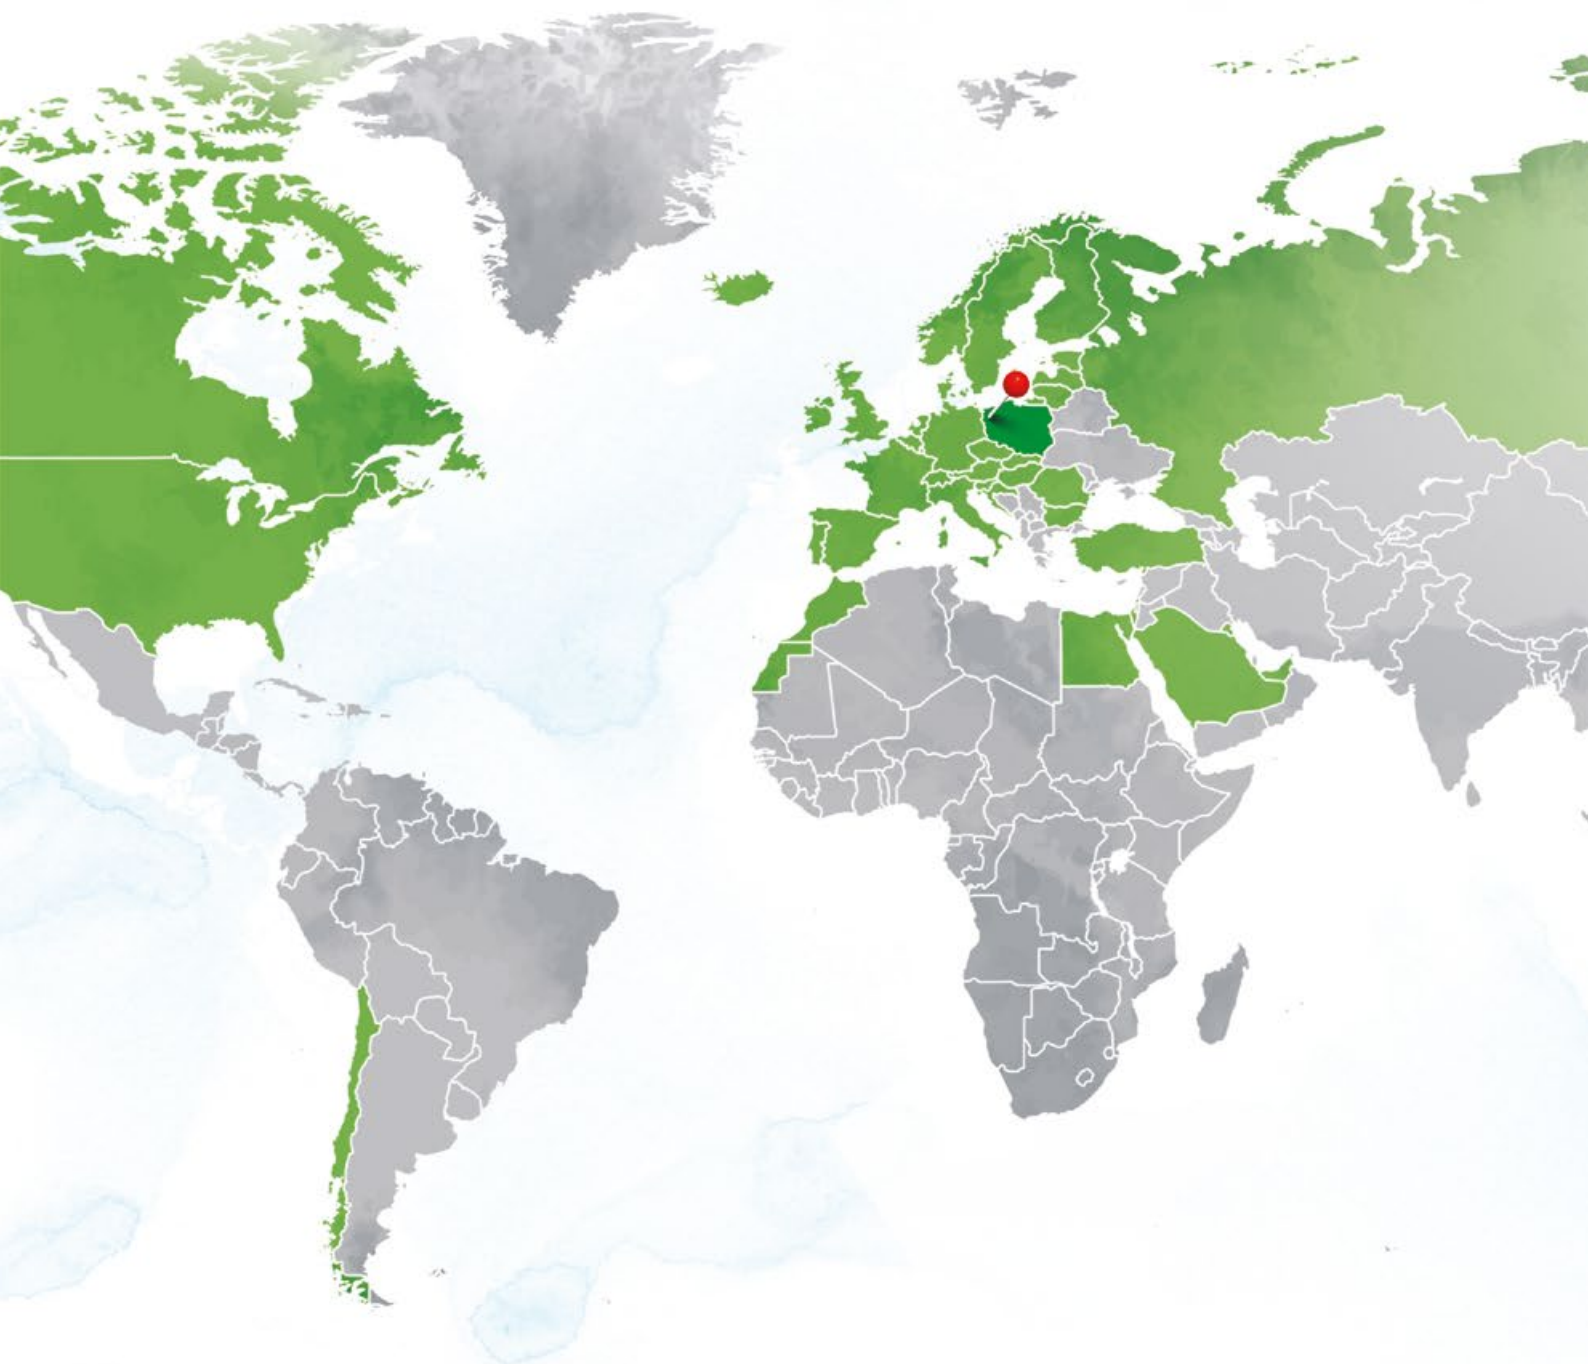

FITNESS - metal devices for body training

ARENAS - sport fencing systems perfect for team games

URBAN FURNITURE - necessary equipment for every city

You will find Inter-Play playgrounds in almost all European countries and on other continents.

We believe that Inter-Play products are a perfect way to entertain every user while keeping them safe and happy all over the world.
